

Ningbo G-Shine electronic Co., Ltd

Goldshine are the manufacturer of load cell and weighing scale. Our product covers all aspects of load cell, sensors, weighing , scale, weighing scale , weighing apparatus, weighbridge, industrial scale, weighing machine , weighing system , truck scale , platform scale, crane scale.

Product list

- **Load Cell**
 - Compression Load Cell
 - Single Point Load Cell
 - Tension Load Cell
 - Aluminum alloy load cell/ Min sensor
- **Weighing Scale**
 - Crane Scale
 - Bufferring Scale
 - Cylinder Scale
 - Short platform truck scale
 - Platform Scale
 - Truck Scale
 - Movable Truck Scale
 - Portable Truck Scale
 - Weigh Beams
 - Height Scale And Weight Scale
 - Fish scale and Post Scale
- **Weighing Accessories**
- **Other**

Hot Products

Load Cell

Located in China, Ningbo G-Shine electronic Co., Ltd is a manufacturer and supplier of advanced [Load Cells](#), Force Sensors, Torque Sensors, Pressure Sensors, Signal Conditioners, Digital Displays and Portable Sensor Verification / Calibration Systems (VCal) Ningbo G-Shine electronic Co., Ltd has demonstrated steady growth and built a solid reputation as a "load cell and weighing scale

manufacturer in China and overseas markets

Although our expertise in load cells / weighing scale applies to many industries, our product line and custom manufacturing ability is focused in the following industries:

loads cells including low profile load cells, [single point load cells](#), miniature load cells, beam load cells, load cell accessories, S type load cells and column load cells.

Working with corporations of various sizes, we have established a solution methodology that works for any company no matter how large or small of a job. We offer personal interaction and support while adhering to the professionalism and service of a Fortune many Companys. As we continue to grow, we remain committed to improving our quality and to bringing you complete load cell/ sensor solutions from design conceptions to application. By establishing closer ties to our vendors and alliances we can offer cost effective measurements while bringing you a quality product that you can rely on. Whether you're looking for a standard product, need to modify an existing product Ningbo G-Shine electronic Co., Ltd can provide the solution!

Weighing Scale

Ningbo G-shine Electronic Co., Ltd. is a major Chinese Manufacturer of Weighbridges, [Truck Scales](#), Weighing Electronics and Industrial Scales in the International market, and leader in Industrial Weighing and Process Automation in China. Our product including all kinds of industry scale crane scale buffering scale cylinder scale, Dynamic axle weighing check system platform scale, truck scale, [movable truck scale](#), [portable truck scale](#), weigh beam, body scale etc. The company organizes development and production strictly in accordance with GB and quality management system of ISO9001: 2000. It has a wide range of scale products. With high ratio of performance to price and prompt delivery, it has set up a good brand image in domestic and abroad market.
